

PRODUCT DESCRIPTION - SNAP OFF KNIFE - HRG-A7 25MM

The Komelon HRG-A7 25mm Autolock Snap Off Knife blades are made from high carbon steel and offer strong and sharp blade edges.

The knife casings offer good grip and a smooth operation with an autolocking mechanism. The blades can be snapped off to reveal a new sharp edge.

The blade are set at a 59° angle for easy cutting. Replacement blades are also available.

This range of high quality Komelon Snap Off Knives & Blades, all feature a high strength stainless steel cutter guide which ensures a very smooth positive action. The blades are manufactured from SK2CR4 high carbon steel which delivers an exceptionally sharp high strength durable cutting edge.

The ergonomically designed handles provide a comfortable grip, particularly in prolonged use
